

# ONLY SOFAS

Over 1000 new models from *Around the World*

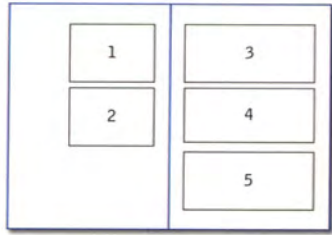

by Eva Marín

**ONLY**

**SOFAS**

1. Another version of New master. GIORGETTI produce this design by Antonello Mosca.
2. Three-seater sofa with steel and wooden structure stuffed with polyurethane in polyester covers which are, in turn, in cotton covers. Model with completely removable covers produced by DE-PADOVA. Vico Magistretti designed Pillow thinking about all of those who wish to enjoy their moments of relax.
3. Camin is a product from WITTMANN designed by Paolo Piva.
4. Another version of Norton from the firm DÉsirÉE which forms part of the GRUPPO EUROMOBIL.
5. Another combination of Manolito as a corner sofa commercialized by MACHALKE.

## MAURO LIPPARINI

Lipparini was born in Grosseto in 1956. He graduated in Architecture at the University of Florence where he has also taught. Mauro Lipparini is an outstanding member of the so-called Naturalist Minimalism. He received the award for Young Designer in Milan (1987) and the international prize from Du Pont which was awarded in Cologne in the years 1988 and 1989. The creations of this Italian designer include furniture, for domestic use as well as for offices, textiles and other types of products designed for European and Japanese companies with international reputations. In architecture and interior design, Lipparini has centered his activity in the sectors of residential and public buildings, showrooms, exhibitions and installations.
