RAW POWER

Designer **Mauro Lipparini** forges metal to create the asymmetric Rebus table – a stylish study of twisted lines and geometric shapes. Made of metal, titanium and topped with silk-screened glass, the Rebus adds raw allure and masculinity to any corner of the home. | 設計師Mauro Lipparini以鍛造金屬打造出不對稱的Rebus桌子，混合屈曲線條和幾何形狀，散放無限魅力。產品以金屬、鈦和絲印玻璃打造出時尚效果，定能為家居混入原始風尚和剛陽元素。studiolipparini.com

GENTLEMAN'S ESSENTIALS

Everything old becomes new again – such is the case with valet stands, which are suddenly back in vogue. Our pick is the Dumb Valet, a highly functional piece that's handmade in Italy from bronze-plated steel. The modernised version can be folded as well as extended for better use of space. It also sports a mustard-hued velvet cushion, reminiscent of a bygone era. | 復古衣架的魅力再次散放。我們精選出高度實用的Dumb Valet，產品在意大利以鍍銅鐵製作。現代款式可摺疊及延伸，善用空間。它更附設一個芥辣色絲絨墊子，讓人回想美麗舊日。reschio.com
