**Blue Leaf Hospitality**

[blueleafmiami.com](http://blueleafmiami.com)

Rustic, recycled teak is paired with all-weather resin Cyroplene and Viro fibers in the **Reclaimed Teak Chair**, which measures 34 in. high. Suitable for indoor or outdoor use.

**Ligne Roset**

The ceramic stoneware top of the **Everywhere** sideboard is made from 40-percent recycled materials and is resistant to scratches, stains, extreme temperatures and chemical agents. It was manufactured without glues, waxes, resins or artificial colorants.

**Lazzaro Leather**

[lazzaroleather.com](http://lazzaroleather.com)

Give your environment a swanky, masculine feel with **Louis**, a collection comprising a sofa, loveseat, recliner, chair and ottoman. The group is upholstered in top-grain leather that's been purposefully distressed to exude a vintage vibe.

**Casa Intl.**

[casaintl.com](http://casaintl.com)

Compartments in the **Pilone** bookcase are arranged in a geometric design and are divided by matte lacquer partitions. The solid-wood construction also features amber-tinted glass sides and is available with a sliding cover.
