TOP PICKS AT SALONE SINKABLE BEDS

Cosy sleep fortresses that urge you hit the snooze button and stay in

1. Designed by Andrea Parisio, Cliff Modular bed features a wall fixed, L shaped frame with its base and wooden headboard available in finishes like stained oak, lacquers or in a combination of both. Website: www.meridiani.it 2. Eclipse bedroom set by Milan based architect Andrea Bonini, comes with a rounded bench to be placed at the foot and a ethereal design for the bedside tables and its four drawer dressers. Website: www.turri.it 3. Envisioned by Carlo Colombo, Park Uno has a matte metal and glossy brown nickel structure. Website: www.poliform.it 4. With a profile covered in leather or fabric, the majestic Ripley, part of the Fabio Bonfa collection, is a padded bed with a quilted headboard embedded within its frame. Website: www.visionnaire-home.com 5. Imagined by Italian designer Mauro Lipparini, Bridge is a multifunctional bed that boasts cabinets with lights and a headboard featuring two upholstered, reclinable cushions. Website: www.misuraemme.it 6. Dorothy showcases a modern design with its linear base and a padded headboard bearing subtle stitching that creates a geometric three dimensional effect. Website: www.operacontemporary.com
