THE CHERUB OF LOVE

Inspired by the cherubs popularised by the Italian Renaissance, conveying a particular vision of Cupid, the porcelain figurine pulls the petals off a daisy playing the game 'she loves me, she loves me not.'

ALLIES IN STYLE

The nail-less companion tables use small flat strips of wood joined together to form the table top. These vertical cross sections are created out of Vengai, ash wood, teak wood and metals accentuating differential colouring and grain.
