## All Walled Up

Somany Ceramics glossiest wall tiles, the all new glosstra plus wall tiles exude a sense of energy, making the ambience more lively and exciting. These tiles reflect light, propagating a sense of a bigger space, while the use of high definition digital printing captures the intricate detailing on the tile surface crating a virtually seamless canvas.

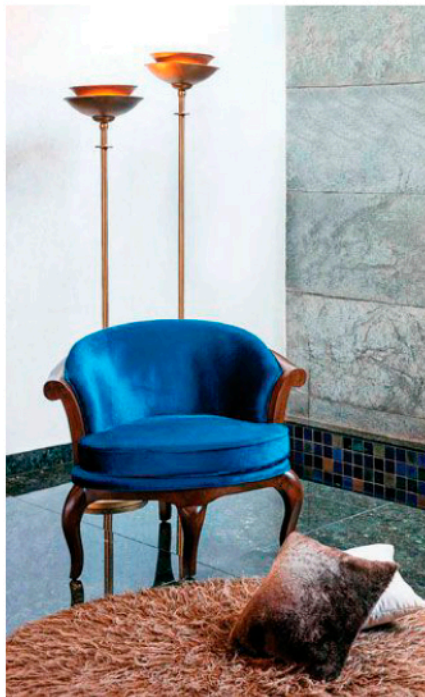

## Traditionally Modern

Beyond Designs furniture collection is a perfect muse for the living and the bedroom areas. From white, black, grey and even brown, the collection is a show stealer. From chair to coffee tables, side table and console, you'll find plenty of home decor accessories to make your home look stylish and chic.

## Feather Touch

By Adab presents its latest range of bed sheet sets. The limited edition printed bed sheets are made up of best of the fabrics, and the linen is specially formulated with comfort that makes it more durable. The bed sheets are made in India from virgin Egyptian cotton of high thread count.

## Be Seated

Cane Boutique's collection of chairs is a mix of fusion, contemporary and timeless designs. With its warm, traditional appeal and superb craftsmanship, they not only have a beautiful finish, but also are capable of making a big style statement.

## Modern and Trendy

Visionnaire's **bastian living room sofa collection is making waves**. The monocoque sofa showcases workmanship that recalls the tradition of saddlery with hand-finished leather, tailor-made seams and edging. It is paired beautifully with the bastian pouffe also designed by **Lipparini**.
